

Alameda County Flu Immunization Clinics

Updated October 2025

Everyone 6 months and older is recommended to receive a yearly flu vaccine.

**Please call individual clinics in advance to check availability.
(Information is subject to change)**

Always bring your immunization record.

- If you have health insurance, (such as Medi-Cal, Alameda Alliance, Kaiser, Blue Shield, Blue Cross, United Health Care, etc.), the very best place to go for all vaccinations is your doctor's office, often their offices have same day appointments.
- For health insurance questions or to select a doctor, call the Family Health Line 888-604-4636, Monday-Friday from 8:30am-5:00pm or visit: [Alameda County Resource Guide for Men, Women, and Children in English-Spanish](#)
- Vaccines are also available at many local and chain pharmacies- call in advance to ensure what you need is in stock and to determine age requirements. These are often covered by most medical insurances.

The below options are available for the following Alameda County residents:

Low Income Children (birth to 18 years old) who:

- Are uninsured or their insurance does not cover immunizations
- Are American Indian/Alaskan native
- Are eligible for or enrolled in CHDP/Medi-Cal

Low Income Adults (19 years and older) who:

- Are uninsured or their insurance does not cover immunizations

Please direct any questions about this list to 510-267-3230

***Populations served – depending on age and pregnancy status, different people require different flu vaccine types. Some clinics have vaccines for some populations and not others.**
