**County of Alameda, Public Health Department
RFP No. ACPHD-DCDCP-1014, Addendum No. 01**

The following Section(s) has/have been modified or revised as shown below. Changes made to the original RFP document are in **bold** print and **highlighted**, and deletions made have a ~~strike through~~.

Pages 5 of the RFP, Section II (Statement of Work), is revised as follows:

ACPHD envisions combined funding strategies that seamlessly integrate HIV, STD, HCV programs using a Health Equity lens, because these health areas are interrelated. By leveraging multiple funding sources, the County can promote coordination, expand capacity, and ensure sustainable community-led programs that are more responsive to the comprehensive needs of Alameda County **and Contra Costa County** residents living with and most impacted by HIV, STD, and HCV (syndemics¹). ACPHD is seeking applications for comprehensive and integrated efforts that impact Alameda County **and Contra Costa County** residents disproportionately affected by the high rates of human immunodeficiency virus (HIV) transmission, sexually transmitted disease (STD) transmission, and hepatitis C virus (HCV) transmission. Funds will be awarded through a competitive process to agencies experienced in providing comprehensive services to members of groups disproportionately impacted by HIV, STDs, and HCV in Contra Costa and Alameda Counties as evidenced by epidemiologic and needs assessment data. Ryan White and Minority AIDS Initiative (MAI) funds must serve residents of Alameda and Contra Costa Counties. **This applies to the following service categories: Medical Case Management, HIV Early Intervention Services, HIV Health Education & Risk Reduction, HIV Care Outreach Services, and HIV Non-Medical Case Management. HIV Prevention and Outreach, STD/HCV Testing, and Harm Reduction Services must be provided in Alameda County.**

Service Category	Geographic Reach & Limitations
Medical Case Management (MCM)	Must serve residents of Alameda and Contra Costa Counties.
HIV Early Intervention Services (EIS)	Must serve residents of Alameda and Contra Costa Counties.
HIV Health Education & Risk Reduction (HE/RR)	Must serve residents of Alameda and Contra Costa Counties.
HIV Care Outreach Services	Must serve residents of Alameda and Contra Costa Counties.
HIV Non-Medical Case Management (NMCM)	Must serve residents of Alameda and Contra Costa Counties.
HIV Prevention & Outreach	Services must be provided in Alameda County.
STD/HCV Testing	Services must be provided in Alameda County.
Harm Reduction Services	Services must be provided in Alameda County.
