## Community Health Improvement Plan Action Teams (AT) for Alameda County

### COUNTY HEALTH IMPROVEMENT PRIORITIES

#### COMMUNITY PRIORITY – HEALTHCARE ACCESS

**Strategic Issue:** How can the public health community ensure access to population-based and personal healthcare services?

**Vision:** Accessible medical and mental health care that is high quality, comprehensive, affordable, culturally and linguistically appropriate and supports good health and the expectation for all to live a full and productive life.

#### COMMUNITY PRIORITY – ECONOMIC INDEPENDENCE

**Strategic Issue:** How can the public health community address income inequality, poverty and economic conditions that affect health outcomes in across Alameda County? How can the non-traditional partners, such as private businesses, share collaborative responsibility to ensure economic independence among residents of Alameda County?

**Vision:** Community economic development that supports the ability of all residents, regardless of race/ethnicity or place of residence, to pay for all of their basic needs (including housing, food, transportation, healthcare, and childcare) and build wealth.

#### COMMUNITY PRIORITY – SAFETY & VIOLENCE

**Strategic Issue:** How can the public health community ensure safe and violence-free neighborhoods across Alameda County? How can the public health system be mobilized to collaborate in new ways that would effectively decrease current levels of violence in specific communities and neighborhoods in Alameda County?

**Vision:** Community and Public Safety that ensures crime and abuse prevention, neighborhood safety, and communities that are resilient to disasters and emergencies

## The “indicators of success” for each health improvement priority are...

### Team #1 – Access to Care

- % with health insurance coverage
- % with usual source of care
- Avoidable emergency department visit rate
- Preventable hospitalization rate

### Team #3 – Community and Public Safety

- Violent crime rate
- High school graduation rate
- Employment rates

### Team #2 – Community Economic Development

- % persons in poverty
- % with high school or greater education
- Housing Burden
  - % paying 50 percent or more for housing
  - % paying 30 percent or more for housing
- Employment rates

## Here’s what the Action Teams will do over the next few months...

- ✓ • Hear an overview of the SPUR’s Economic Prosperity Report and our Report of Evidence for Community Safety
- Agree on health indicators for the Plan suggested by our department.
- Finish creating a list of WHAT WORKS to improve.
- Prioritize that list of strategies for the ACTION PLAN.

The Department will write, distribute, and track progress on the final County Health Improvement Plan.

We'll prioritize the list of strategies for the Action Plan using the following criteria.
