

Mastick Senior Center, Alameda, CA June 4, 2014

Vision

- Street safety - traffic and crime
- Culturally appropriate and accessible food
- Affordable, accessible transport and housing
- Focus on mental health for all, seniors
- Community based services and resources

Issues

- Housing availability
- Traffic safety
- Isolation – need to introduce new residents to a social network
- County needs to go out to community to capture needs

Data about
Health and
Social
Conditions

Priorities

- More help with basic needs (utilities, housing, etc.)
- Community support for senior mental and physical health (including dementia)
- In-community contact from service people, especially around mental health and aging
