Mission: To expand opportunities for individuals with intellectual and developmental disabilities.

Vision: The Council envisions a world in which every individual with an intellectual and developmental disability has access to a full, meaningful life in an inclusive community.

Values: In partnership with self-advocates, family members, service providers and other stakeholders, the Alameda County Developmental Disabilities Council improves lives by advocating for better funding and quality services; promoting education to raise awareness; supporting services and policies to reduce disparities; advancing diversity and equity principles and linking consumers and families to resources.
