

Referral for Children over Age 3 and Adults

Persons who are eligible for our services over the age of 3 are persons with a developmental disability, defined as intellectual disability, cerebral palsy, epilepsy, autism spectrum disorder, or other conditions closely related to intellectual disability or requiring treatment similar to that required by persons with intellectual disability. The condition must constitute a substantial disability, defined as significant functional limitations in three or more areas of major life activity, as determined by a regional center and as appropriate to the age of the person: self-care; receptive and expressive language; learning; mobility; self-direction; capacity for independent living; and economic self-sufficiency.

To refer a child over 3, provide the family with our Intake Number (510) 618-6122
