

Alameda County Hep B Free

Clinician Honor Roll

Clinicians on this Honor Roll have pledged to follow appropriate principles of hepatitis B virus management in their clinical practice. More specifically, these clinicians are ordering the right kind of hepatitis B tests for their patients, offering hepatitis B vaccine for those at risk of infection, and providing appropriate management for patients with chronic hepatitis B infection.

Thanks to these clinicians for making a difference toward preventing hepatitis B disease and minimizing complications from existing infections.

Adil Ed Wakil, M.D.	James Eichel, M.D.	Robert Wong, M.D., M.S., F.A.C.G.
