

About Us

The Schreiber Center is a specially designed program that focuses on the emotional and mental health of adults with developmental and intellectual disabilities. Staff at the Schreiber Center are dedicated to helping people with developmental disabilities reach their goals and live happy, healthy, independent lives.

The Schreiber Center is funded by Alameda County Behavioral Health Care Services through the Mental Health Services Act (Prop 63). It is a collaboration between Alameda County Behavioral Health Care Services, the Alameda County Public Health Department, and the Regional Center of the East Bay.
